MY SKILL LIST

- creating concepts and ideas for all sorts of advertising campaigns in a team with art director and solo
- presenting, selling ideas to the client
- writing scripts (TV spots, digital videos, radio, video case studies, etc.)
- creating brand names and brand platforms
- writing all sorts of texts (slogans, landing pages, song lyrics, social media posts, press releases, mailings, etc.)
- supervising the creative execution process (pre-, production, post-production)
- supervising copywriters (when they create concepts, ideas, write copy, scripts, etc.)
- supervising a team of designers (when they create visuals, visualizations, etc.)

I've had client service and new business experience before becoming a creative. I can share the details if needed.
